

ANTONY PRABU R

Data Analyst | Business Intelligence | Dashboard Development | Generative AI | Data Quality & MDM

+91 90802 34714 | prabuantony039@gmail.com | [LinkedIn](#) | [Portfolio](#) | Chennai, India | Open to Relocation

Data Analyst with a B.Tech in Computer Science Engineering (Specialization in Artificial Intelligence and Machine Learning) and internship experience at **Capgemini** and **AI Variant**. Skilled in **SQL, Python, PySpark, Power BI, and Tableau**; built dashboards that improved reporting efficiency by **30%** and optimized ETL pipelines for **20%** higher processing efficiency. Certified in **Master Data Management (MDM)**, with hands-on data quality work in profiling, validation, and deduplication. Experienced with **Generative AI** tools including Claude by Anthropic. Seeking full-time roles in **Data Analytics, Business Intelligence, MIS, Reporting, or Data Quality**.

EXPERIENCE

Data Analyst Intern

Sep 2025 – May 2026 | Bangalore

AI Variant

- Developed 4+ interactive **Power BI and Tableau dashboards**, improving reporting efficiency by **30%** through automated visual reporting.
- Designed **KPI-based dashboards using DAX** to track business performance metrics and support stakeholder decision-making.
- Performed **data cleaning, validation, and exploratory data analysis (EDA)** on structured datasets using MS Excel.
- Delivered **ad-hoc reports** on stakeholder requests, handling each analysis from data extraction and transformation to visualization and business insights.

Data Engineer Intern

Jan 2025 – Jun 2025 | Chennai

Capgemini

- Optimized **ETL pipelines using PySpark and SQL**, increasing data processing efficiency by **20%**.
- Developed and maintained **SQL queries** for data validation, ad-hoc analysis, and automated reporting workflows.
- Monitored and supported production **data pipelines**, resolving data issues to keep data delivery accurate and on time.
- Conducted **API testing** to validate data accuracy and consistency across integrated data sources.

PROJECTS

Adventure Works & Supply Chain Management – BI Dashboard

Feb 2026

Power BI / Tableau / DAX

- Built an **end-to-end Business Intelligence dashboard** for sales performance, inventory tracking, and supply chain visibility.
- Implemented **DAX measures and calculated columns** for KPI monitoring, trend analysis, and executive-level reporting.
- Applied **data storytelling techniques** to present complex supply chain metrics in a decision-ready format for business stakeholders.
- Optimized **data models and table relationships** to enhance dashboard performance and reporting accuracy.

Supplier Master Data Quality Assessment & Scorecard

Aug 2026

MS Excel / Master Data Management / Data Quality

- Defined the **data quality standard** for a **300-record supplier and material master** – mandatory fields, naming conventions, and approved value lists for country codes, currencies, payment terms, and procurement categories.
- Performed **data profiling** and built **10 validation rules** across the four DAMA-DMBOK quality dimensions – Accuracy, Completeness, Validity, Uniqueness.
- Normalized supplier names to detect **duplicates, inactive suppliers, and obsolete material codes**; scorecard reported **208 issues** across 300 records with **50.3%** fully clean.

Fake Profile Identification in Online Social Media Using NLP

Jan 2025

Python / Machine Learning / NLP

- Engineered an **ML classification model using NLP and behavioral analysis**, achieving **98% detection accuracy**.
- Performed **data preprocessing, feature extraction**, and implemented classification algorithms for accurate bot detection.
- Evaluated model using **train/test split, confusion matrix, and accuracy metrics** to ensure robust performance.

SKILLS

Technical Skills

SQL | Power BI | MS Excel | Tableau | PySpark | Python | Machine Learning | DAX | Master Data Management (MDM) | Data Quality | Data Governance | Claude (Anthropic)

EDUCATION

B.Tech – Computer Science Engineering

2021 – 2025

Specialization in Artificial Intelligence and Machine Learning | Karunya Institute of Technology and Sciences, Coimbatore

CERTIFICATIONS

- Data Analyst – **ExcelR**
- Master Data Management (MDM) – The Complete Course – **Udemy**
- SQL for Data Analysis: Advanced SQL Querying Techniques – **Udemy**
- Data Analysis with Python – **Udemy**
- PySpark – **Edureka**
- AI Fluency: Framework & Foundations – **Anthropic**
- AI Capabilities and Limitations – **Anthropic**
- Building with Claude API – **Anthropic**
